Last Quarter Surge Gives Lynx Championship Title

A last quarter and overtime surge by the Spearman Lynx Saturday night gave them the Class A title of the Panhandle A&M College High School tournament.

The Lynx came from far behind in the final quarter to tie the Woodward Boomers 46-46 at the end of regulation play, then won the title 49-48 in the overtime.

Spearman opened strong in the first half and with Carl Close leading the scoring parade, the Lynx were leading 12-10 at the end of the first quarter and 27-23 at the end of the half.

Close was working against Woodward's 6'5" post man and scored well against the big man. Close also got him in foul trouble early as he tried to stop Close's one-hand jump shot. Close hit six field goals and nine free shots to score 21 points.

The Lynx came to a complete stop in the third quarter. They scored only four points while Woodward hit 20 and were leading 43-31 at the end of three quarters.

Playmaker Mike Hendrick picked up three quick fouls in the black quarter and went out with five fouls.

Spearman got back on the scoring path in the final quarter from field and at the free throw line.

Woodward lost three starters by fouls in the final quarter and with Spearman closing the gap, Woodward could not score. They hit only one field goal and one free shot in the final eight minutes.

With a minute and 15 seconds left Spearman was trail-

ing by three points. The Woodward coach drew a technical foul disputing a call and Close sank the foul shot.

Spearman got the ball out of bounds after the shot and came back to score to tie the game. Woodward had 30 seconds to score, but with five seconds left they missed a long shot and knocked the ball out of bounds.

Spearman held the ball till the clock ran out.

Close and Carroll Day got the three points for Spearman in the overtime and the Lynx managed to get the rebounds on

the Boomers' missed shots.

The Lynx stalled the ball in the last minute and Charles Shieldknight was fouled as the game ended, but he missed the shot taken after the game was won.

Day had 11 points for Spearman, Shieldknight had seven, Hendrick has six and Benny McCullough had four.

Woodward outscored the Lynx 18 to 13 on field goals, but Spearman made 23 of 35 free shots and Woodward made only 12 of 23. Spearman had 19 fouls and Woodward 30.

Three Make All Tourney

The two seniors on the Spearman Lynxettes made the first all-tournament team at Duncanville last week and the sophomore forward made second team.

On the first team was forward Barbara Wilde and guard Nancy McCullough. The second team forward was sophomore Marcia Shieldknight.

Susan Brittan of Springlake was the outstanding forward of the tournament and Mary Williams of Tulia was the outstanding guard.

Team Appreciates Support

Football season is here again. We have four new coaches this year. They are

George Wright, Jim Allen, Larry Anthony and Allen Simpson. The team has been practicing

for four weeks.

The football field is in really great shape this year. It's better than it has ever been before.

Several of our summer practices were more entertaining than usual. The players enjoyed practicing in the rain and on a field full of water. After one of the morning practices, the team went for a swim for 30 minutes. The swim really took the soreness out.

We have new uniforms this year. They are white pants with a purple stripe and white short sleeved jersey with purple UCLA stripes.

The team members urge everyone to come out and back them this week, as we plan to send Gruver home bawling.

Spanish Club Has Meeting

Recently the Spanish Club held its regular meeting in Mr. Hickey's room.

The constitution was read and approved by the club. It was decided to have a booth at the Halloween carnival, which will be the pinata throw and will be decorated with the club colors, sombreros and serapes. After committees were appointed for the various jobs at the booth, refreshments were served.

While the club members were eating refreshments, Carla Archer showed slides of Mexico.

Buchanan Is Named BC Winner

Miss Janice Buchanan, a senior in Spearman High School has been named the winner of the Betty Crocker Homemaker of Tomorrow in the high school

Miss Buchanan has attended Spearman High School for two years, moving here with her parents, Mr. and Mrs. A.C. Buchanan.

David McClellan Gives History Program

History class isn't always just names and dates.

Recently David McClellan showed one of the Texas history classes slides that he took at the University of Texas. These slides of the campus were taken from the University Tower.

David told the class a little about the science research he did this summer at the university.

He also told what he knew about the sniper killings.

The teacher, Jim Allen, who attended the University of Texas, told the class about some of the buildings and other features on and around the campus.

Exchange Student Says School Is Easier Here

This year Spearman High School is very fortunate to have as its foreign exchange student Chris Lobo. She is from Brazil. She is staying in the home of the John Wildes.

Chris is taking the following subjects: Typing I, Spanish I, Home and Family Living, Texas History, English III, and basketball.

She said that school here is easier than in Brazil. In her school the students take French, philosophy and psychology which are not offered here.

When Chris returns to Brazil, her friends will still have one-half of their senior year to finish before they go to college.

Andra Murder Trial October 25, at S.H. S.

Did Karen Andra commit a murder or not? is the question that must be answered by the jury at Spearman High School Auditorium on October 25. The curtain rises at 7:30 sharp, the question will be answered at about 9:30 the same evening. No one knows the answer yet.

Audiences generally leave the theater after performances of "Night of January 16th" debating the correctness of the verdict. The play is built in such a way that the evidence of the defendant's guilt or in-

nocence is evenly balanced and the decision will have to be based on the juror's own feelings toward the case, and upon the juror's own characteristics. Either decision will bring the protest of the opposite side; the case will be a challenge bound to arouse arguments and discussion. It's underlying conflict is the eternal conflict of the two definite types of humanity. Thus, it is really the audience that is put on trial.

FHA Sends Gifts to Viet Nam

The Spearman Chapter of the Future Homemakers of America have sent 70 lbs. of gifts to the soldiers in the First Infantry Division in Viet Nam.

Students and townspeople helped the F.H.A. girls with this project. "Thank you for your support and contributions said Ruth Riley, chairman of the drive.

Among the items sent were paperback books, candy, toilet articles, popcorn, marshmallows, presweetened kool-aid and cookies.

Other F.H.A. projects will be New Eyes for the Needy, Valentines for Heroes, and TUBFRIM, sending cancelled stamps to Norway to aid in fighting tuberculosis.

Annual Staff Will Have Coronation

Lynx Band Finish Contest Marching Routine

The Lynx Band is about to finish its contest marching show. The band has been working on the routine for the last four weeks. They have been adding different parts each week.

The contest this year will be held at Canyon, in the Buffalo

district 1-AA UIL band contest. They have won nine consecutive sweepstakes and are going on number ten.

The rating of sweepstakes is obtained by achieving a division I in marching and a division I in concert. The concert contest will be held in Hereford, later in the year.

ORGANIZATIONS

At the Christmas Coronation Mr. and Miss S.H.S. will be crowned and all the other favorites will be recognized.

Following the Christmas Coronation a dance will be given

state and national scholarship awards. She will receive a specially designed silver charm for being the local winner.
